## ENROLMENT CONTRACT – Terms and Conditions

### Education

We will educate the student with due care and skill. You will encourage the student to take full advantage of the curricular and co-curricular opportunities.

We will provide to further their education. We do not guarantee a particular level of achievement for each student. Achievement depends greatly on the individual attributes of the student and the student's willingness to work for their own education.

We will act in the best interests of the student and the student body generally. This may mean we do not always act in accordance with your requests.

### Attendance

If a student is not able to attend on a scheduled day, it will be considered an absence. Any time a student is absent, the parent/guardian must contact the Arcadia College administration team to inform us of the absence.

You can contact reception on 07 5655 1800 or email: [attendance@arcadia.qld.edu.au](mailto:attendance@arcadia.qld.edu.au)

### Health

You assure us that you have given us full information about the health of the student when applying for enrolment. You will let us know if there is any improvement or deterioration in the health or physical abilities of the student while the student is at the school.

If something happens to the student in any medical or other emergency and if it is impossible or impractical to communicate with you, the school may take action and incur expenditure as it considers necessary in the best interests of the student. You must pay to us any expenditure we incur protecting the student.

### Communication

The school will provide information about the student to both natural parents of the student and to any other person signing this enrolment contract. Under the *Australian Education Act 2013 s77(2)(f)* and the *Australian Education Regulation 2013 s59*, the school will provide reports to "persons having responsibility" for the student. In the absence of a court order, the school will provide these reports to the student's natural parents. The people signing this enrolment contract may request other arrangements relating to the provision of information about the student by giving notice in writing to us.

To communicate efficiently with parents, and as a cost saving measure, we will communicate with parents at the email addresses they provide to us. If you do not provide an email address or if you request in writing that we provide information other than by electronic means, we will communicate by the other means reasonably requested.

Where communication is to be with the entire school community or with identifiable sections of the school community, the communication may be effected through the school website or social media accounts. We will display on our website the policies and rules with which you and the student are expected to comply.

### Acceptance Criteria

An Enrolment Registration Levy of \$50.00 must be paid following submission of the Application for Enrolment.

This enrolment levy is non-refundable and does not guarantee an interview or placement of the student.

In determining an offer of enrolment, the following factors will be considered:

- a) class size/places available in the relevant year and class composition;
- b) siblings (of current students) and children of former students;
- c) children of college employees;
- d) the ability of the school to meet the child's needs;
- e) capacity to resource identified additional learning and/or support needs – where a student has been identified as having additional needs, an initial enrolment interview with parents may be requested and an assessment of the students' needs may be undertaken by the college or an independent body;
- f) any history of aggression or pattern of behaviours disrespecting others;
- g) date of receipt of enrolment application; and
- h) the student and family's preparedness and ability to embrace the college ethos

The well-being of the class as a whole is given consideration in the enrolment process. As the college is small and age-based, each enrolment is considered for suitability to a particular class and social group. The college will determine how well the student would integrate with the remainder of the class to achieve a positive and supportive social group.

The school will not discriminate against students according to disability, race, gender or religious denomination.

### **Levies**

We will determine the levies for each term before the commencement of the term to which the levies apply.

You must pay the levies in advance of the term to which they apply and not later than fourteen (14) days after the date of invoice for the levies.

If we increase the levies for a term by more than 10% of the levies payable for the preceding term, you may terminate this enrolment contract by notice in writing to us given within fourteen (14) days of the date on which we notify you of the increase.

If you terminate this enrolment contract for any reason other than for:

- our breach; or
- because of an increase in levies within the time limited by this contract

you must provide us with at least one term's notice.

If you do not provide us with one term's notice, you must nevertheless pay to us one full term's levies. The school commits resources on the basis of confirmed enrolments and will most likely suffer loss from early termination. It may have difficulty filling the student's position at short notice.

If we expel the student, you must pay levies for the whole of the term during which the student is expelled.

If the parent / carer arrangements change in the process of a student's enrolment at the college the original parent will be responsible for the student's fees until this responsibility is transferred to another parent / carer. This can be completed by notifying the college in writing or by emailing: [enrolments@arcadia.qld.edu.au](mailto:enrolments@arcadia.qld.edu.au)

The parent / carer who will become responsible for levies must complete a new application for enrolment and update financial information.

Both parties must be in agreement before the transfer can take place, any non-payment of fees could result in the student's enrolment at the college being suspended and or terminated.

### **Discipline**

You must comply with policies and rules we adopt from time to time. You must ensure, as far as practicable, that the student complies with those policies and rules. The policies and rules do not form part of this contract.

We may discipline the student for failure to comply with directions given by a person in authority or for failure to comply with the school policies and rules. These failures may occur on or off the school campus. The Principal or acting Principal may expel the student from the school for misconduct considered by the Principal or acting Principal to be serious enough to warrant expulsion.

Where discipline may involve expulsion of the student, the Principal or acting Principal will not expel the student until the allegations of misconduct have been put to the student or the student's representative and the student has been allowed an adequate opportunity to respond.

We may search lockers, bags and property of the student where it is reasonable for us to do so or as part of a general or random search of a place where we conduct our activities. We may confiscate forbidden or dangerous property.

### **Indemnity**

You indemnify the school against any loss or damage caused by any failure by you or the student to comply with our rules and policies. You also indemnify us against any loss or damage caused by the wilful disobedience or reckless behaviour of the student.

### **Excursions**

**Activities**

Students will partake in various activities both on and off campus including but not limited to sporting activities, excursions, adventure based learning activities, project based learning, cooking, use of tools and various equipment. These activities may expose the student to situations and physical activity not usually encountered in the classroom.

The college will make every reasonable effort to minimise student exposure to risks, hazards and dangers associated with activities carried out by Arcadia College, its staff, volunteers and associated instructors.

**Transportation**

At times students will be transported off site to partake in college related activities. This may include the use of public, private, and or college owned vehicles and buses. It is expected that when students are being transported that they follow appropriate instruction from staff members, volunteers & contractors and comply with road safety rules.

**Privacy**

We collect personal information about students at the school, their parents and people who care for them. The primary purpose of collecting the information is to enable us to use the information for all actions connected with educating our students. You consent to the personal information being used for educational and ancillary purposes including the marketing of the school.
